

Update: Important Parental Communication Regarding COVID-19

17th March 2020

Dear Parents/Guardians

Having considered correspondence from the Minister of Education on 16 March 2020, Principals have been advised that schools will be closed at some point in the future. This may be for an extended period.

In preparation for this, and in consultation with the Board of Governors, I have decided to **close the school to pupils** on Wednesday 18th and Thursday 19th March to facilitate staff preparation for longer term planning and distance e-learning.

The Minister of Education has confirmed that his officials will communicate information to schools twice weekly going forward. I will update you regarding arrangements for Friday 20th March as soon as possible.

Thank you for your patience, support and understanding at this difficult time. Please continue to follow health advice from the Public Health Agency.

Yours sincerely

B A Heron
