## SOME ONLINE LEARNING RESOURCES

Every house is different. For some, a clear structure will work, for others it might not be possible. You will find a list of online resources below that might help to structure learning in your home.

Keeping busy is good, but it is also totally fine to take some time to do nothing. In fact, it's good for you. Do what's best for you and your home. You don't need to fill every moment of the day. *Happy learning.*
