

Work Schedule for Key Stage 3 (Years 8-10)

Pupils in Years 8, 9 and 10 should spend a **minimum of 3 hours per day** (Monday - Friday) doing distance learning.

Literacy and Numeracy: 1 hour daily guided learning time

This should include at least 30 minutes of reading (including the use of Accelerated Reader) and 30 minutes of My Maths.

Additional Subject Areas: 2 hours daily guided learning time

The remaining two hours should be spent completing tasks posted by subject teachers in Google Classroom. Google Classroom can be downloaded to a phone or tablet from the various App stores or accessed via an internet browser.

A total of **24** activities have been initially posted for each year group. This should provide 2-3 weeks learning. Teachers will add to this in the coming weeks.

Physical Exercise

We also suggest that doing a minimum of 20-30 minutes' physical exercise each day in a safe outdoor space (weather permitting). See the PE section of Google Classroom for suggested activities.

The Google Classroom codes are as follows:

YEAR GROUP	CODE
8	efsqdfs
9	6ntxkc7
10	zpwkv2g

Kind, Supportive and Helpful

In addition to distance learning, it is important that all our pupils keep physically and emotionally well. We recommend that our pupils take this opportunity to help and support their parents in whatever way possible by doing housework, helping younger siblings with their studies (Reading and Mathematics), gardening or cooking. This will ensure that everyone is supported in these very difficult times.

Thank you and good luck.

B Heron
