

13 May 2021

Dear Parent/Guardian

I am writing to inform you that today 13 May 2021 is the last day of formal school lessons and your child **is no longer required to attend school**, unless they have an assessment on Friday 14 or Tuesday 18 May. There are a very small number of pupils who will be required to complete other (or missed) assessment opportunities, or are required to finish some aspects of coursework. Mrs Martin will be in direct contact with parents and pupils this applies to, however, for the majority of pupils, teachers have all the evidence required to determine grades.

Due to the impact of the pandemic, this has been a most challenging two years of your child's educational journey at Sperrin College. It is with great sadness that we say goodbye to this group of Year 12 pupils, who have displayed resilience and a positive attitude throughout their time with us at the College. However, I am very pleased to note that a significant number have applied to study A levels with us in Sixth Form and I am very much looking forward to a more normal way of working in September 2021.

I want to pay tribute to you as parents for the wonderful support you have given the teachers and non-teaching staff throughout the last five years and thank you for the dedication you have shown to the education of your children.

Planning ahead, examination results will be sent to you on 12 August 2021. I will write providing you with details on the procedure as this will be determined by Covid -19 restrictions.

Finally, if you as a parent or your child requires any help or support regarding education or career guidance, please do not hesitate to contact the school.

I wish you and your child every success in the future.

Yours Sincerely

B A Heron  
Principal  
B.Ed. (Hons)PQH(NI)M.Ed.
