

12 February 2021

Dear Parent / Guardian

As we approach Half – Term, I want to again thank you all for your support regarding Remote Learning. I am very conscious that learning from home is a huge challenge for all of us and I am very proud of the resilience and independence many of our young people have shown. At this time, it remains unclear at what point we will return to face to face teaching, but I will write when this information is available.

I would also like to highlight the following:

Half - Term Holidays

Half -Term will take place from Monday 15 February – Friday 19 February (inclusive).
The school will be closed during this time.

Monday 22 February 2021 “Catch – Up Day”

Monday 22 February will be a ‘Catch – Up Day’ for all pupils. There will be **no** Google Meets registration or any new work set in Google classrooms. Pupils are required to scroll through all their Google classrooms and complete any work they may have missed.

Key Worker Children Supervision

There will be no Key Worker Supervision over half term and families are asked to make their own childcare arrangements. Key worker children supervised learning, will resume on Monday 22 February 2021 at 9.00am.

I would now urge all parents and pupils to take a very well-earned break over half – term. Please stay safe and look after each other. Thank you.

Yours Sincerely
