Dear Parent,

We are delighted to introduce you to Sperrin College and encourage you and your child to visit our **2025 Open Event**.

This year we will be hosting bookable, guided tours of the college campus. The tours will take place every 15 minutes on **15th and 16th January from 5:30-7:15pm**. Tickets are freely available via Eventbrite. You can find further information on our Open Event page below:

As a high performing integrated school, we have achieved consistently outstanding results in GCSE and A Level over many years. This high level of pupil performance has enabled our young people to move forward, studying a wide range of subjects at local and UK wide universities and also into the world of work.

Our young people enjoy a broad and balanced educational experience which values diversity and is underpinned by the belief that ability is not fixed. We have a success pathway for everyone. Our Grammar & All-Ability pathways serve the most academically able and those who are more vocationally inclined.
