Sperrin Integrated College  
School Reference: 3260303

## School Context and Background

Sperrin Integrated College is a co-educational, all ability grant maintained integrated College located on the outskirts of Magherafelt. The College was established in 2002 following parental demand for integrated education in the Mid-Ulster and surrounding districts. Sperrin College educates pupils from all traditions and abilities in a caring environment where there are respectful working relationships at all levels.

The school strives to promote equality of opportunity for all pupils, a desire for learning and encourage partnerships with parents, to ensure all pupils reach their full potential. The approach to learning focusses on pupils developing the necessary dispositions required to pursue educational excellence; therefore, the College motto is; **'Pursuing Excellence Together'**.

The integrated ethos is an integral part of the College life and permeates all aspects of the school. The College currently has an approved admissions number of 80 and an enrolment number of 530. The intake of the school reflects the truly integrated nature of Sperrin College with a religious balance of 34.3% Protestant, 43.6% Catholic and 22.1% other, of the pupil population. This religious balance is also reflected in the governance, leadership team, and staff at Sperrin.

Integrated education at Sperrin College offers the pupils an enriching experience by providing them with opportunities to develop not only their own cultural identity but to share and learn from their peers. The pupils develop a deep understanding of the richness of cultural and religious diversity by working alongside, in the same school, those of different views and faiths. They are provided, within the curriculum and the extra-curricular programme, opportunities that cultivate their understanding of themselves and others. The pupils develop confidence and self-worth and have respectful attitudes to others.

The curriculum of the school and learning experience, engages pupils by making relevant connections to teenage life and the world of work. Assessment for and of learning, rests at the heart of what Sperrin Integrated College does and is crucial in helping the staff move the pupils forward in their learning. In evaluating the learning experience, the staff utilise the pupil and parent voice. This ensures the curriculum is fresh and relevant to all the learners' needs and the needs of the economy.

The staff of the school continuously develop their skills to respond to the ever-changing landscape of education. The college provides a stimulating learning environment where academic study and intellectual pursuits are cherished and valued. The College recognises and develops the unique potential of each individual pupil ensuring that stretch and challenge is coupled with the necessary support. This in turn enables the pupils to become questioning, independent, reflective young people who can appropriately use their knowledge to understand, interpret and interact with today's society.

## Chairperson of the Board of Governors

### Forward

I am very pleased to present the Annual Report of the Board of Governors for 2018-2019.

The academic year 2018-2019 was another very successful year for Sperrin College.

Mrs Heron, in the role as Principal, supported by Mrs D Chambers, Vice Principal with the leadership team, of Mr Small, Mrs Monaghan and Mr Davies have overseen developments and made progress in almost every aspect of the school. However, significant improvements have been made in the teaching and learning area.

Sperrin College continues to grow, with the College reaching an enrolment number of five hundred and thirty pupils in September 2019. The College continues to strive for academic excellence for all pupils as we endeavour to, 'Pursue Excellence Together.'

I want to pay tribute to all the staff, teaching and Non-Teaching, who are dedicated, highly committed and passionate about supporting all our pupils reach their potential.

I want to wish the teachers and support staff, as well as governors who have served with us at Sperrin, but have now moved on. I thank them for their expertise, contribution and time over the years.

Finally, I want to thank my fellow governors for their service, commitment and dedication to Sperrin College.

Mrs F Symington

## Principal's Forward

The academic year of 2018-19 was another very successful year for the school.

The pupil achievement levels, continues to be a strength, with both A level and GCSE examination results continuing to rise. The pupils achieved the highest set of results to date. This success cannot happen without the hard work and dedication from the excellent team of teachers and support staff we have at Sperrin. As Principal, it is inspiring to lead such a team, who are fully committed to the success of every pupil in our school.

The academic year 2018-19, could perhaps be described as a year of celebration, as the school produced a wonderful school show 'Beauty and the Beast'. This show sold out for three nights and we hosted an amazing 'Gala Night' on the last night of the performance. Almost one fifth of the school community were involved in the show, highlighting the remarkable level of talent we have among our school community.

The school also secured funding for the upgrade of the school library to the value of five thousand pounds. This has enabled the children avail of thousands of new books in a vastly improved reading environment.

At the end of the Year our pupils travelled for the first time with Camps International to Tanzania to engage in a four-week environmental project. This was another wonderful opportunity for our pupils.

The Department of Education have also invested in a new car-parking facility and upgrade, enhancing the school and improving site safety.

I want to thank all the staff, teaching and Non-Teaching as well as all the parents and who support our children as we, 'Pursuing Excellence Together.'

## Section 5

### Links with parents and parental involvement

At Sperrin we highly value the contribution parents and guardians. We see the relationship we have with parents as vitally important to pupil success.

There are many ways in which parents support the work of the school, including:

- New intake induction Event and Parent Handbook
- Parent Teacher Meetings
- Individual review meetings
- The Year 8 Welcome Service
- End of Year Services and Celebrations for Year 12 and Year 14
- Prize Night
- Sports Matches and Attendance at Fixtures
- Letters and text communications.
- Options Events and Personalised Options meetings for Y10 Parents
- Drama and Performances
- The School Show
- Charity Events and Sponsorship
- The school Facebook, Twitter and Website platforms
