# ANNUAL REPORT 2016-2017

## School Context and Background

Sperrin Integrated College is a co-educational, all ability grant maintained integrated College located on the outskirts of Magherafelt. The College was established in 2002 following parental demand for integrated education in the Mid-Ulster and surrounding districts. Sperrin College educates pupils from all traditions and abilities in a 'caring environment where there are respectful working relationships at all levels.' ETI Report 2015.

The school strives to promote equality of opportunity for all pupils, a desire for learning and encourage partnerships with parents, to ensure all pupils reach their full potential. The approach to learning focusses on pupils developing the necessary dispositions required to pursue educational excellence; therefore, the College motto is; **'Pursuing Excellence Together'**.

The integrated ethos is an integral part of the College life and permeates all aspects of the school. The College currently has an approved admissions number of 80 and an enrolment number of 500. The intake of the school reflects the truly integrated nature of Sperrin College with a religious balance of 41% Protestant, 41% Catholic and 18% other, of the pupil population. This religious balance is also reflected in the governance, leadership team, and staff at Sperrin.

Integrated education at Sperrin College offers the pupils an enriching experience by providing them with opportunities to develop not only their own cultural identity but to share and learn from their peers. The pupils develop a deep understanding of the richness of cultural and religious diversity by working alongside, in the same school, those of different views and faiths. They are provided, within the curriculum and the extra-curricular programme, opportunities that cultivate their understanding of themselves and others. The pupils develop confidence and self-worth and have respectful attitudes to others.

The curriculum of the school and learning experience, engages pupils by making relevant connections to teenage life and the world of work. Assessment for and of learning, rests at the heart of what Sperrin Integrated College does and is crucial in helping the staff move the pupils forward in their learning. In evaluating the learning experience, the staff utilise the pupil and parent voice. This ensures the curriculum is fresh and relevant to all the learners' needs and the needs of the economy.

The staff of the school continuously develop their skills to respond to the ever-changing landscape of education. The college provides a stimulating learning environment where academic study and intellectual pursuits are cherished and valued. The College recognises and develops the unique potential of each individual pupil ensuring that stretch and challenge is coupled with the necessary support. This in turn enables the pupils to become questioning, independent, reflective young people who can appropriately use their knowledge to understand, interpret and interact with today's society.

## Chairperson of the Board of Governors

### Forward

I am very pleased to present the Annual Report of the Board of Governors for 2016-2017.

The academic year 2016-2017 was a year of change for Sperrin College with the retirement of Mr Alastair Rowan, Principal, in June 2016. On behalf of the Board of Governors I want to acknowledge the immense contribution Mr Rowan has made, since founding the school in 2002. His tireless dedication, hard work and commitment to establishing the College cannot be measured and we wish him every best wish as he enjoys his retirement.

Mrs Heron, was appointed in the role as Acting Principal, supported by Mrs D Chambers as Acting Vice Principal for the academic year. There were other significant changes on the leadership team, with the departure of Mr N Forbes as Pastoral Coordinator. The leadership team of the College was subsequently reduced to five members and revised team roles were allocated. These changes have brought both opportunity and challenge to our school this year, with developments and progress being made in almost every aspect of the school.

Sperrin College continues to grow, with the College reaching an enrolment number of five hundred and twenty one pupils in September 2016. The College continues to strive for academic excellence for all pupils as we endeavour to, 'Pursue Excellence Together.'

I want to pay tribute to all the staff, teaching and non-teaching, who are dedicated, highly committed and passionate about supporting all our pupils reach their potential.

I want to wish the teachers and support staff, as well as governors who have served with us at Sperrin, but have now moved on. I thank them for their expertise, contribution and time over the years. These include, Mrs Karen Johnston, who also retired in June 2016 as Head of French, Mr Neil Forbes, who has taken up a position in Ashfield Boys High School, Belfast, and of course Mr Rowan.

I want to thank Mr Peter Mc Crystal and Mrs Sharon Stephens for their service to the Board of Governors and wish them every success in the future.

Finally, I want to thank my fellow governors for their service, commitment and dedication to Sperrin College.

Mrs F Symington

## Principal's Forward

I am honoured to have been appointed as Acting Principal of Sperrin Integrated College and am delighted to report that 2016-2017 was another very successful year for the school.

The achievement of the pupils, continues to be a strength, with both A level and GCSE examination results continuing to rise. This success cannot happen without the hard work and dedication from the excellent team of teachers and support staff we have at Sperrin. As a new Principal, it is inspiring to lead such a team, who are fully committed to every pupil in our school.

The academic year 2016-2017, could perhaps be described as a year of change, as the school saw a transition in leadership at both Principal and Vice Principal level, as well as a reduced senior management team. These changes were not easy, as the workload for everyone in the team has increased, as the impact of austerity measures were felt. Despite this, the school continues to thrive.

I want to commend the senior management team for their tireless dedication to improving standards this year. Every aspect of the school was audited and examined, prior to the new term in September 2016. New revised frameworks were developed for Action Planning and Leadership development. The focus of our improvement work has been raising standards in Teaching and Learning, curriculum modification and assessment of and for learning.

Whilst there were many highlights throughout the year, including our wonderful Talent Show, perhaps the most notable, was when one of our pupils opened the singing at the Celebration of The United Nations Day of Peace Event at the Eikon Centre to over four thousand people.

In recognition of the excellent pedagogical practice of our new beginning teacher for Drama Miss Laura McCloskey, we made an application to the Pearson Teaching Awards, resulting in a Silver Award. This was a huge achievement for the school and for Miss McCloskey.

With both myself and Mrs Chambers permanent appointment to the leadership roles within school the year ended with a more settled atmosphere as we embrace the future. The school has submitted a Development Proposal and hopes to continue to develop as we 'Pursuing Excellence Together.'
