

24 March 2022

Dear Parent / Guardian

I am writing to inform you that I received communication on Monday 21 March 2022 from the Minister of Education Michelle McIlveen MLA that Sperrin College has featured in her announcement of 28 schools to advance in planning under the Major Capital Works Programme. The schools will benefit from an estimated Capital Investment of £794 million.

This is wonderful news for the future development of Sperrin College and for the provision of Post Primary Integrated Education in the Mid – Ulster Area. It is anticipated that the Capital Investment Programme will take significant time however we are delighted that the Department of Education intend to invest in Sperrin College as we continue to expand and thrive.

Yours Sincerely

B A Heron
Principal
